

CHAPTER 3

3.1.16 Communications Committee (Revised 05/13/96)

The Communications Committee, as established by the Marshall County Education Association Constitution, shall meet monthly with the Superintendent and County Staff Administrators to keep informed and resolve questions and concerns which may need clarification or resolution. In addition, either the Board of Education or the Communication Committee Chairperson may request a meeting when either party feels it is necessary. Board of Education members shall also receive the agendas and minutes of the Communication Committee meetings and Board members are invited, at any time, to attend any of the monthly meetings.
