

CHAPTER 7

7.6 Permit for use of School Property

Organizations desiring to use school facilities shall fill out an **Application for Buildings and Grounds Use** in triplicate copy. (All copies are to be secured from and returned to the designated administrator.)

In all cases, the designated administrator shall forward all copies to the superintendent for approval or disapproval. One copy shall then be returned to the designated administrator of the involved school, one copy to the applicant organization, and one copy shall be retained at the Administrative Office of Marshall County Schools.
