

CHAPTER 8

8.8 SCHOOL BUS ACCIDENT REPORT

Every driver of a school bus is required to report promptly to the Department of Motor Vehicles and the County Superintendent of Schools, any school bus accident involving death, injury, or property damage in excess of \$100.

Failure to comply with this regulation may result in the revocation of the person's special school bus chauffeur's license.

The accident report form is in the School Bus Driver's Report Book--Form WVDE-42-20-51. This does not replace Form DMV-121-F. If any part of a bus bumps, scrapes, or touches any other object, causing damage to the bus or the other object, this constitutes an accident. All accidents, regardless of scope must be reported to the County Superintendent.
