Superintendent’s Reports:

We need to be vigilant about wearing masks. If you are seated indoors and six feet apart you can take your mask off. If you are up and moving you need a mask on. If you are seated indoors and cannot be 6 feet apart you need to keep your mask on. There is a WVDE number to report concerns, but I would hope concerns would be reported to the principal first and then to the county office.

We are all very anxious for the children to start on Tuesday. I have been to every school and while everyone is very stressed over technology, cleaning, and social distancing, there is still a positive air of anticipation for students to return.

I am proud to announce that 34% of COVID tests last Friday were Marshall County School employees. There were no positive tests! We have not had a positive test in our county since August 20.

In conjunction with Marshall County Health Department, Marshall County Schools held a drive thru immunization at John Marshall High School on Wednesday. Approximately 50 students were immunized. The Health Department will be open on September 8 and 10 for any child needing immunizations, no appointment needed.

Motion by Mrs. Coffield, and seconded by Vice President Robison, that the meeting be adjourned. Motion carried.

President Miller adjourned the meeting at 7:00 p.m.
